KINGDOM LEADERS GLOBAL ALLIANCE PRESIDENT'S WELCOME ADDRESS

Dearly Beloved Saints,

I thank God for you and wholeheartedly give thanks to the Lord for His great grace over you and yours.

As we reflect on the miracles of 2022, we are in awe-filled gratitude of what God did for us, did with us and did through us, for His glory and praise alone. Amen!

In joyfully welcoming you to Mentoring Conference 2023, I want you to know that we are in a very significant time, when the Holy Spirit is birthing a convergence of revivals and moves in the Spirit.

You are about to witness the Triumphant March of the Church of Christ, and God's Kingdom saints, more than we've ever known.

Get ready to be raised, resourced and released as the Lord's Special Agent in 2023, operating **Daniel-Grade Wisdom** to solve enigmas and riddles this year, and Decade.

This is your commissioning, to step into a new level of anointing and authority in your divine calling.

As a ministry, we've seen the Mighty Hand of God, putting holy legitimacy, prophetic confirmations, abundant provision, supernatural expansion and fruitfulness upon His work in our hands.

*You will have
more joy in your
heart than others
have when their
harvest increases
PSALM 4:7*

In 2023, our God is urging us forward as a Prophetic Equipper for His Body, to mature even more saints in spiritual consecration and governmental influence.

Our conviction is strong, our mandate is global and our pursuit is to see the whole earth filled with the knowledge of the glory of the Lord; just as waters cover the sea. Habakkuk 2:14

By the grace of God, we are in continual intercession for you, and I know that the Lord Jesus Christ, whom I serve, and to whom I belong; will bring His Perfect Plans to pass in your life this year. Amen.

Thank you for your partnership, support, generosity, service and commitment to the Lord's house and to our ministry. God bless you!

Debola Deji-Kurunmi,

TESTIMONIES

SUPERNATURAL HEALING

I was exposed to someone with COVID during a conference earlier this week but I didn't know.

An email was sent to inform me on Wednesday but for some reason I just saw the email last night.

I was worried because I was in a friend's home and what this means is that I might have exposed her family too.

So I said I would bring it to **Heavenly Portals Meeting** before I do a home test.

I prayed about it and took communion as we worshipped during the meeting. When we were asked to check ourselves, I ran the test and the result was negative. Thank You God.

-UGOCHI OBIDIEGWU

SUPERNATURAL HEALING

I've had a prolonged vaginal infection that defied medication. Healing was proclaimed but I initially felt alienated being in attendance at the **Heavenly Portals Meeting** virtually. Then I declared and claimed my preserved portion.

As I leaned in further, I told God I was going to the bathroom to check that He has indeed done it. I also told Him that I didn't want to experience any pain when and after peeing, which was the usual.

To the Glory of God, there was no pain. I feel healed too. Glory to God Almighty.

CLARITY OF PURPOSE

Anytime I am about to enter a season, I've realised that God uses her to usher me into the season. I have sat under her ministration since 2020.

During the **Mentoring Conference with DDK**, I knew I was about to enter a season of announcement and she confirmed this through the Spirit.

I had been receiving some things in preparation for this season. I felt like I had lost myself. I had tried to bring the joyful old me back. During the conference, PDDK spoke about child-like excitement, and I knew the message was for me. I had recently met someone I didn't know but I had this instant recognition that he was a father figure.

When PDDK prophesied about father figures and leaders, it confirmed what was in my spirit. She mentioned someone that God had asked to pursue a medical degree, I knew it was me. I wrote all she said about this new phase and I'm excited about what God has in store for me already.

SPIRITUAL HUNGER REAWAKENED

I anticipated that The Torch Gathering was going to be a catalyst for me. And indeed, the meeting has revived my hunger. Instructions have been coming, and light has been shed upon my heart as concerning the burden, purpose and ministry.

The path of fulfilment has been clearly shown. I see the Joy ahead and trust God's grace for bountiful fruits and harvest.

Thank you PDDK for yielding to the Lord. Thank you for all you represent ma God continue to strengthen you

-TIMILEHIN ADETORO

EMOTIONAL HEALING

I needed a reawakening to purpose and a confirmation of God's call over my life.

I also wanted to know how to steward my waiting season.

To the glory of God, I got all my answers at the **Heavenly Portals Meeting** during the Prophetic session and panel session with Pastor Esther Omoniyi.

I could relate to everything she said because I am the first child and my younger sister (the last one) will be getting married whilst I am still single.

Her session gave me the answer that I needed and I was healed of emotional wounds and the pain of rejection. I have not stopped singing to God since then.

-TA

SHARPENED SENSITIVITY

At the **Heavenly Portals Meeting**, I gained back my identity as Abba's daughter.

God also visited me by sharpening my reception to hearing Him clearly.

Also, I have needed something like the Heartwork course over the years and it was spoken of.

I was glad to hear that the Father has made provisions for me to go through this journey which I believe would greatly transform me.

ANSWERS TO QUESTIONS

I came with questions and all the answers were given with signs and scriptures.

One profound one was that I had a sense that I was due for another season of my life and

DDK mentioned it.

Secondly, I had previously attended a meeting for those trusting God for babies, and I believe I am. When women who were believing God for the fruit of the womb were called out, I asked God if I should still come out and again. Then miraculously DDK said those who attended a similar meeting and had been prayed for should not come out for conception has taken place already.

This was a confirmation and a stamping of God's dealing. In my entire life, I have never experienced God as real as I did in this meeting. I know that God wants me part of this move. Thanks to Jesus!!!

OBEDIENCE USHERING IN A HARVEST

After attending the Mentoring Conference with DDK, the Lord stirred my heart to do a meeting in March.

My first testimony is that the meeting occurred without financial stress. The meeting also ushered in testimonies and they keep pouring in.

Over 500 people were in attendance with an overflow outside the hall.

We had several healing testimonies, several salvation testimonies and God moved mightily.

By the grace of God, our President, **Debola Deji-Kurunmi** took the Prophetic Mandate of maturing saints, activating liberty, and awakening revival across Africa and the Middle East in 2022.

Her itinerant ministry during the year was impactful in greater measure, as she ministered at **100+ programs (virtual and in-person)**, reaching several thousands for the gospel and directly discipling believers through her spiritual mentoring programs.

OUR VISION AND MISSION

Vision

We are a global, non-denominational ministry called as a Prophetic Equipper for the Body, to raise saints who live for Christ and advance God's Kingdom Agenda.

Mission

Our mission is to build the capacity of God's saints to become Voices, Visionaries and Vessels of the Kingdom - extending His Agenda with Authority, Love and Truth.

TWO-PRONGED APPROACH

Spiritual Discipleship

Raising saints who live for Christ through discipleship into a lifestyle of Christian faith, godly consecration and spiritual maturity through our structured spiritual discipleship program.

Kingdom Influence

Advance God's Kingdom Agenda by raising Visionary leaders with governmental influence to promote God's Kingdom Agenda on all mountains of influence.

OUR MANDATE

We are ministers according to the stewardship from God which was given to us for the saints, to fulfil the word of God, the mystery which has been hidden from ages & from generations, but now has been revealed to His saints.

To them God willed to make known what are the riches of the glory of this mystery among the Gentiles: which is Christ in you, the hope of glory. Him we preach, warning every man and teaching every man in all wisdom, that we may present every man perfect in Christ Jesus. To this end, we also labour, striving according to His working which works in us mightily.
