# FOREWORD

## 1 Timothy 1:18-19 TPT

So Timothy, my son, I am **entrusting you with this responsibility**, in keeping with the very first prophecies that were spoken over your life, and are now in the process of fulfillment in this great work of ministry, in keeping with the prophecies spoken over you. With this encouragement, **use your prophecies as weapons** as you wage spiritual warfare by faith and with a clean conscience. For there are many who reject these virtues and are now destitute of the true faith

# PROPHETIC DECLARATIONS AND PRAYERS

- I settle and organise myself into what the Lord is doing. I prepare myself, activate my spirit, and settle into the move of the spirit of God today.
- Lord, I want my portion of everything that you brought for me today in the name of Jesus. I am part of this Army of apostolic, prophetic, and governing women.
- I come on behalf of my generation, family, lineage, ministry, industry, and assignment. I've come to do the will of God, to be resourced, raised, and released in the name of Jesus.
- I cry for alignment. Set my life in order. Open up my portals so I can lay hold of that which is mine in the spirit. Let my interaction with the dealings of God today forge me in the direction of destiny. Do a work on my inside.
- Grace upon Grace, line upon line, precept upon precept, glory upon glory, light upon light. Let the channels, portals, and pathways of my spirit break open.

# PROPHETIC WORDS

## ANOINTING, AUTHORITY, AND ABUNDANCE

---

### Anointing

**Anointing** is the endowment and empowerment to walk in your seasons; to fulfil your assignment; to access the resources supplied by God for your lifting and your mandate.

It is the power to do work. The power to carry well, the power to parent, the power to birth vision, the power to be made steady, and the power to walk in victory over sin.

### Authority

**Authority** is the ranking that causes the doors to open, the ranking that causes the territories to respond. The positioning that allocates the weight of God's brand on your name so that you can be heard where you are sent. Authority to pull down barricades and build up reinforcements, to make a way where there was no way, to establish a thing and for it to stand. To declare the will of God and establish the purposes of Yahweh over and above generational patterns, the weaknesses of the flesh, and the limitations of humanity. To superimpose heaven on earth.

### Abundance

**Abundance** is to live in the wealth of God, the supplies of heaven, the provisions of covenant, to have proofs, to manifest possibilities.

- I receive a fresh anointing for my mandate to pull down and to build up.
- I receive authority; the territory must listen to me.
- I receive abundance. I break out of small places in the name of Jesus.
- Father, I come in your name. Blessed am I (insert your name) for I come in the name of the Lord. Blessed am I (insert your name) for I believe, and there will be a performance of those things spoken to me by the mouth of the Lord.
- Lord, I open my heart to your dealings today. I allow myself to be reached by the transforming power of the spirit of God. I open my ears to hear, I open my eyes to see, and I open my heart for understanding.
- I welcome the move of the spirit. I respond to you. Let the rivers of the spirit flow through my spirit man and break open, reaching every arena of engagement in my life. Take me over. Cause me to be filled to the overflow till I break out in joy, revelation, healing, and strategy.
- I receive your anointing. I walk in new dimensions of divine enablement, divine empowerment, and divine endowments in the name of Jesus.
- Father, I come into spiritual accomplishments, spiritual success, and spiritual attainment. I come into holy heights, divine depths, supernatural supplies, miraculous manifestation, awakened answers, oiled opportunities, prophetic possibilities, and apostolic accomplishments. I come into evangelistic expansions, revelatory realms, and life-giving light, in the name of Jesus Christ.

# DECLARE!

- I declare that the systems, the spheres and society, will respond to what is upon and within me. I have the authority to pull down walls, break patterns, call the dead back to life, reenact new policies, invade systems, speak to governments, bring counsel to kings, end demonic oppression, shift atmospheres, and speak to bodies in the name of Jesus.
- I receive the authority to break out of familial oppression, harassment and the bondages that have been long-standing in families. I receive authority to break into regions and industries, and birth innovation in the name of the Lord Jesus Christ.

- I welcome Your abundance. You're bringing me into new levels of authority, anointing and abundance. I open my heart to receive from you all that I require to do your bidding in my time.
- I declare that I am adequately, heavily, and abundantly resourced. All that I require is supplied in the name of Jesus. What I need to advance is supplied.
- I thank You for causing me to receive boldly, continually in the name of Jesus, on the account of what You have given.

# DECLARE!

**... Everywhere I go across the nations of the earth, the question will always be, "What manner of woman/man is this?"**

- Concerning these offices and operations of the apostolic, prophetic and governing women, Lord, I welcome the blueprints that will birth me into breakthroughs in the name of Jesus. I welcome the templates that will trigger my transformation in the name of Jesus.
- Thank You, Lord for magnificent models. Thank you for instructing me in timeless technologies and for heavenly heights. Thank you for causing me to understand the way You work, so that I can establish that which exists in the realms of God on earth in the realms of men.
- I give you praise for Kingdom Leadership Convention 2024. I thank you for heaven on earth. Thank you, Holy Spirit, for spiritual attainment because I am hitting targets with God in the name of Jesus Christ.
- I receive everything in the womb of the spirit that is contracting to be born into time here and now. I thank you for holy facilitations of the purposes of God in the name of Jesus.
- Make me ready for what you have made ready for me. Prepare me for what you have prepared for me. Endow me with a heart of understanding. Quicken my insights, impact my mind with your counsel and give me the capacity for critical conversion.
- In the name of Jesus Christ, spiritual realities will come into executive expressions, intellectual expressions, systemic expressions, political expressions, financial expressions, media expressions, academic expressions, family expressions, and governmental expressions.

# PROPHETIC STIRRINGS

1.

To bring the church into mastery. We know about the manner of men He's released, the manner of mandates and mantles but we require a mastery to build according to pattern, and specification, with urgency, dexterity, and excellence, and to be able to attain new levels of effectiveness, impact and legacy with the work God is giving to us.

- a.
  - We have an urgent requirement to come into a strategic school of the spirit. It is strategic because the manner of work cut out for us in our time requires a different degree of strategy and we need critical conversion. You must be able to take revelation knowledge and situate it into healthcare, agriculture, technology, entertainment, media, governance, policy, social reformation, law and justice and wherever the Lord invites you to work.
  - If we excavated what it will take to start to attack the degree of demonic devastation and desolations that exists even in family systems, the more you are confronted with these patterns that are transferred from generation to generation – you will start to see that a time comes in the life of a woman where she guides the light of life that God begins to shine in her heart. Some of you are in current realities in your life, where you're observing patterns that you know can't accommodate and facilitate the vision of God on your life, whether in the context of your marriage, the family you were born into, or the one you married into.
- b. As the Lord begins to invite you and release this builder's anointing upon you, you must recognize that it will come with painful discoveries. Before you build, you need to do a type of spiritual mapping or apostolic analysis of the wreckage. For example, Nehemiah had to do a very covert mission where he first had to profile the baseline and understand how bad the situation was.

The moment God begins to invite you to build, establish an infrastructure, establish divine order out of chaos, or send you into any arena to turn on the light where there has been darkness, the first dimension of heavenly resourcing is often around **revelation knowledge**, where you start to observe the degree of the wreckage and the damage.

You require a schooling to know what to do when light is turned on where there has been darkness because you could be so astonished by the degree of formlessness and emptiness and darkness, desolation and devastation that you sometimes want to ask if you were better off not knowing what you now know. **The Lord says that he will cause you to see, and also resource you to step into those situations with the technologies of heaven.**

**Sometimes what you are confronting does not look obviously evil, but the light of life will dawn in every darkness.**

2

We also have a very definitive promise in the Spirit, and it's around the factor of time. The Spirit of the Lord is invading time with eternity, and God is cutting processes short in righteousness. It could have been many decades or generations that a certain dimension of wreckage has been perpetuated, or it could even be complacency. You can observe a pattern of generational complacency and you know that for you to get where God has ordained and for the image that is getting stronger in your spirit concerning your role in your family and your generation, these patterns of laziness, complacency and being okay when things are not okay have to be broken. Sometimes what you are confronting does not look obviously evil in some cases, but the light of life will dawn in every darkness.

# PROPHETIC WORD AND WARNING

- **The Lord said,**

"I will cause you to see, and also resource you to step into those situations with the technologies of heaven".

- God is committing himself to our generation that there will be quick work cut short in righteousness.
- The Lord is warning you about over-emotionalism. You can't continue to romanticize the painful experiences you've had, and you can't continue to rehash the memories that keep you where God has delivered you from. You must set yourself up in a way that a woman/man of God organizes herself/himself. You invite your soul, your spirit, your emotions, your imagination, your thoughts, and invite every part of who you are into a conference call, and you say, "It is no longer business as usual".

## CATEGORY ONE

If you have been called into the front lines but have faced severe criticism. You've been misunderstood - whether it's in the context of a career or a business, or you're a visionary, leading a ministry, and you've been maligned and you know that in certain quarters, you have been significantly misrepresented, and it's brought pain to your heart or caused you to shrink back - but you want to take back the authority that has been assigned to your assignment and you want to receive God's great grace to press further without becoming distracted by the noise. You want healing streams to flow so strongly in your heart. You don't doubt who God says you are, but maintaining composure in the face of odds feels very difficult.

Make bold declarations before the Lord about the manner of woman you will become going forward. Declare with a new level of conviction and a new level of commitment to your calling:

## PROPHETIC DECLARATIONS AND PRAYERS

- Father, I will maintain my composure in the face of criticisms in the name of Jesus. I take a stand and a posture of confidence in my calling in the name of the Lord Jesus Christ.
- My heart and my inner structure, the structure of my soul, my inner faculties, and my emotions, will never disintegrate in the face of odds in the name of Jesus.
- In Jesus' name, I have integrity in my structure. I maintain composure and choose the voice above the noise. The Lord causes me to maintain composure and commitment to my calling, even in the face of criticism or cynicism.
- I remove myself from bitterness. The Spirit of the Living God sanctifies my heart, emotions, and thoughts. I will not fall into approval addiction or people-pleasing. I will not be trying to explain myself everywhere I go, but I prioritise what the Lord is doing with me. I choose your voice over the noise.
- I pray for maturity and grace. The Lord helps me modulate my strength and show up correctly in the different places He's invited me to. The Lord helps me steward the offices that He has given to me with humility, maturity, and grace. Lord, help me to temper my strength in a way that honors you. I receive wisdom.

### Category One

- Lord, teach me what to do. I receive humility, wisdom, and grace in every context of my life - my marriage, calling, ministry, parenting, destiny relationships, career, and the work of God.

# PROPHETIC DECLARATIONS AND PRAYERS

- I repent of how I have rubbed others off wrongly in the days I didn't walk in humility, wisdom and grace. I repent of how my strength became an excess and a weakness. I pray for mercy. I repent of things said harshly. I repent of cutting off too quickly. I repent of seemingly showing off when that was not my intention. I repent of any perception of rebellion or dishonour. Thank you, sweet Holy Spirit for a new season of grace.
- Lord, do a work in the heart of those who are stakeholders of destiny and covenant relationships for me. If there is any way I have been misrepresented, or I have misrepresented myself, the Spirit of the Living God does a work of healing, restoration, understanding, and revelation. In the name of Jesus, straighten out the rough edges,. Oh God. Bring peace, healing, and understanding to these relationships. I will not esteem myself in my own eyes and I will also not diminish my office. I will find that centre point that glorifies you.
- I am a functionary, I have a function, I have a form and I have a formation. I declare that I will know my kind, and respond to my kind in the name of Jesus. I am anointed to stand in an office; I enter into your function, form and formation in the name of Jesus. I enter into peace all around me.

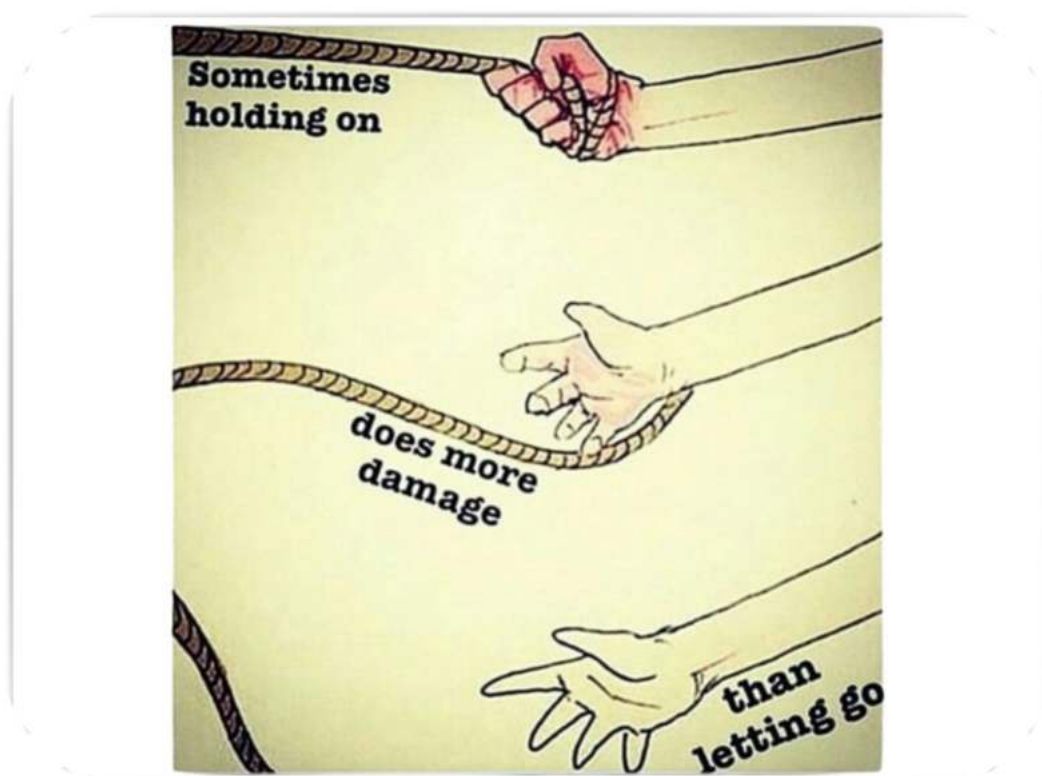

**I repent of things said harshly. I  
repent of cutting off too  
quickly. I repent of seemingly  
showing off when that was not  
my intention.**

# PROPHETIC DECLARATIONS AND PRAYERS

- The voices of those who favour me will be stronger than the voices of those who fight me. The voices of those who esteem me will be stronger than the voices of those who diminish me. The voices of those who prefer me will be stronger than the voices of those who despise me in the name of the Lord Jesus Christ. I sit on the throne that my father has given to me in the name of the Lord Jesus.
- I let go of every wound that has pierced me. I'm making it now a thing of my past, everything that has been said and done against me. Sweet Holy Spirit, pull out the spears, swords, and arrows that have been shot against my soul in the name of the Lord Jesus.
- I will love correctly, intelligently and excellently as a daughter/son of God, in the name of Jesus Christ. I put the wounds that have pierced my soul behind me and go forward into destiny.

## PROPHETIC IMAGES

- I see the anointing of the Holy Spirit resting like a breeze upon your spirit. I see healing. I see rest, assurance, and calm.
- I speak to every agitation, frustration and confusion.
- I see the Spirit of the Lord brooding over the waters of your soul.
- I see new assurance. You are a functionary, you have a function, you have a form and you have a formation.

## PROPHETIC SCRIPTURE

### Hebrew 12:1 (TPT)

*As for us, we have all of these great witnesses who encircle us like clouds. So we must let go of every wound that has pierced us and the sin we so easily fall into. Then we will be able to run life's marathon race with passion and determination, for the path has been already marked out before us.*

## CATEGORY TWO

I want to pray for those who have stepped out of their walk with the Lord for whatever reason, but you know that things are not the way they used to be, and you sense that this is a day of destiny and covenant. You perceive very strongly that this is not merely about intimacy, but is also about assignment. On these two counts, you want to stand to be counted and use your action as a point of contact with what the Lord is doing. You know there's a great call on your life; it's not that you don't read your Bible and pray, it's not that you fell into sin, but you know you're not living according to form and function. You know you are not living according to the divine design. You know you're not living according to the Spirit's standard for your life, but you want to stand to be counted. You're being intentional to take prophetic action and press into the resources of heaven to live according to divine design going forward.

## PROPHETIC DECLARATIONS AND PRAYERS

### Category Two

- I'm standing to be counted and I'm rising to the standards of destiny. I present the besetting sins, weights, and distractions to God. I ask the Lord to give me grace to take charge of my time, thoughts, and my desires.
- I pray for a new architecture that can house the move of God. I consecrate my time and experiences to the Lord. I ask for help, so I can stand up to be counted.
- I pray that the Lord will close the gap between Heaven's expectation for my life and what I am delivering in time.
- I ask for mercy and help. I ask the Lord to raise helpers for my children, my family, and my health.
- Lord, help me understand this stirring in my belly. Give language to the stirring in my belly, Oh God. Help me to understand what you are doing.
- I ask for new grace, new enablement, new empowerment in the name of Jesus.
- I pray that I will understand my office and my assignment.
- The Lord brings down the giants in the land and helps me to take my territory in the name of Jesus.
- I reclaim my time, my morning, midnight, afternoon, and evening. I surrender my time to God so He can make a way.
- Open me up to the wisdom that can host revival. I want to accommodate the move of God in my generation.
- I declare grace over my spirit.

## Category Two

# PROPHETIC DECLARATIONS AND PRAYERS

- of life I'm in, that I require so that I can make it through in the name of Jesus.
- I receive the grace that is customised for parenting, my business, my health, this season of my life, this phase of my evolution, my rank in the spirit, for the nature of my assignment, my transition, my relocation, for my marriage, for my children, for my academics; all that is required to break into the next.
- I receive grace according to the dimension of my destiny DNA. You are my Father and I receive what I need. I am not running helter skelter. I'm here to do your bidding, Oh God.
- Sweet Holy Spirit, organise my life for every relevant investment of heaven that must be pressed out of my life in this season so that I can carry well, birth, rise in my assignment, and gain stature, sweet Holy Spirit, organise my life. Arrange my life, recalibrate my thinking, and bring me into full agreement with You.
- Father, process my potential into power.
- I pull the resources, heavenly investments, gifts, abilities, relationships, and perspectives for every assignment in 2025. Whatever God has forged in my life, let them be released.
- I declare grace over this house (KGA or insert your name). I declare higher levels of revelation.
- Let my portals of holy perception and prophetic precision break open. I call forth the resources of heaven that have been deployed in waiting for this season of my life. I pull out every investment that is ripe for now.

- I enter into the office that God has earmarked for me. I rise into the rank that God has determined for me. I have the level of access that God has prepared for me. I come into the level of wealth that matches the assignment on my life. I carry the mantles that are qualified for my mandate.
- Grace upon grace upon me in the name of Jesus Christ. I make room. I am a different woman/man.
- I declare boldly, stand in authority, reorganise my life, step out of chaos, and elevate my thinking. I sow my way out of poverty and break my limiting beliefs.
- The Word of God goes viral in my soul. I start that project, launch that assignment business, and put my feet in other nations in the name of Jesus.
- As I study the desolations and devastations, I will take action on the account of grace in the name of Jesus. Open my mind, elevate my thinking, school me in the wisdom of Yahweh. Now is the time!
- I receive insights, inspiration and instructions.

## PROPHETIC IMAGES

The Lord gave me a vision that can be summarized this way:

**He is releasing customized grace.** I saw a massive trail of women who lined up before doors, maybe about 30 doors. And it was huge, like an AI-driven space. I was seeing a spiritual technology of something like the signs of genomes, and I saw these women enter into a room that actually felt like a cold room, but I came to understand that the sign of a freezing environment was like the cloud of glory. It was so thick in that room. They would enter this room and the moment they stand in front of this translucent thing like a glass, an x-ray will then show that would have something like a woman's form. Then it would look to me as though the woman would see part of her frame misaligned from the outline on the glass. And then she will be turning till she comes into the frame (the way your phone tries to use your facial features for biometrics).

The women would stand in front of these doors, and it was this massive space made of something like steel on the cover of freezers. And they would have to put their hands to a door, and it recognised each but they had their own fingerprint.

# PROPHETIC WORD AND INSTRUCTION

- The first thing He said is that we are in the dispensation of customized grace. The Lord knows where you are, and He is meeting you where you are. What this person needs is not what the other needs. What the other needs is not what this person needs.
- The second I saw is about a kind of work that the Lord is doing. There are things in you that have found expression, and there are things in you that have not found expression, that you require now to get through to the other side. A point comes where, if potential remains potential, it is dangerous to destiny.
- So, the wriggling of that woman in the vision and the Holy Spirit like a coach in the corner. Imagine your phone is trying to use your facial features for biometrics, then imagine that being done with the entire body. I saw women turning and I saw that. It took some longer - people came out on the other side at different times.

- I saw a digital clock, and it was reading. There are things that are on your inside that have to come through in different seasons of your life.
- When God gives you context, Heaven is also waiting to see your dexterity.
- You need to step out of your own ruins. You need to know how to take deviations, devastations and desolations, and channel them into divine design. This is the power of a master builder.
- Nothing is permitted to be maintained if it is misaligned from the government and the order of Christ. We will do well in the name of the Lord Jesus Christ.

## PROPHETIC WORD AND INSTRUCTION

- I present my heart to You, Lord. Lord, you see me and know where I am. Help me.
- In the name of Jesus, grief is giving way to grace. In the name of Jesus, fear is giving way to faith; doubt is giving way to destiny, humility and submission is being borne out of every adversity.
- In the name of Jesus, my heart is fit for purpose.
- Sweet Holy Spirit, pull out the spears and the arrows that have pierced my heart in the name of Jesus Christ.
- Precious Father, do a work in my inner structure that who I am by divine design, will not be altered because of pain, things said and things unsaid.
- Lord, maintain the purity of heart that You gave to me. I judge every deviation, desolation, and devastation that the enemy has sought to perpetuate in my life, carrying on a history of pain from generations before me.
- My heart will not inherit the offence of my parents against others.
- I denounce every agreement I have made with the definitions that others have belaboured my life with and that is misaligned to my true identity.

**... I pray that I will stay  
enough in God's presence  
till a work of righteousness  
is established in my heart.**

## **PROPHETIC WORD AND INSTRUCTION**

- I denounce every agreement to the misdefinitions, identity distortions, and labels that have been placed on me and that I have found myself labouring under. Whether I have been misjudged and I've been working so hard to prove a point, or they have called me good things, but set me away from my true calling.
- I pray that the Lord will do a work on my mind, replacing the images of pain that continue to perpetuate new seasons of offence in my heart.
- I pray that I will stay enough in God's presence till a work of righteousness is established in my heart. I am able to make the required investment of God's presence in my life and heart, to match the degree of grounds that God has to cover in me, to align me and center me into my divine design. I will be able to stay.
- I denounce identity distortions. I will not labour under any label. I arise into my true office.
- I have a kind, I am a kind, I am sent to a kind.

My products and programs are creating remarkable success for my clients. In my organisation, as an intern, a partner, a CEO, I'm a household name; my leadership stands me out.
- The wisdom of the ancient sets me apart and separates me as a ministry gift, a social reformer and an impact maker in the name of Jesus. I'm set apart. Put the weight of Your brand on my brand. Give me access in the quarters that matter. Those I've been sent to will hear and heed my voice. I cover grounds in the spirit.
- I pray for wealth and philanthropy. Lord, open the doors of prosperity to my life that I might carry heavyweight Kingdom work with you in the name of Jesus. Grant me access points to prosperity. Make me a steward of your abundance in the name of the Lord Jesus. Bowels of compassion are enlarged on my inside.
- I reject every harassment, oppression, repression, and bullying that I have agreed to because I respect the people who were practising witchcraft against me.

no Negative  
Energy  
Allowed  
Here

- I pull down any manner of bullying, harassment, oppression or repression, every choking of the atmosphere, and every toxic energy against my emotions. I live in an atmosphere of peace. I am not afraid, I am not frustrated. No one will stand against me. Nothing will make my life difficult.

**Let the words of my mouth,  
let my wisdom, my  
interactions, my life of  
prayer, my relationships, be  
guarded by the wisdom of  
God.**

## **Prophetic Declarations and Prayers**

- Lord, sanctify the atmosphere around my home, around my life, around my economy. I reject harassment, bullying, and oppression. No one is permitted to frustrate my life. I will not be frustrated, I reject it! There are no calls I'm afraid to take. Father Lord, lift me out of every form of shame. Let the glory of Jesus spread around my life and give me a new experience, a new experience of Glory in the name of Jesus.
- I shut every door that I have opened and given access to drama and trauma. I shut every door that gave access to these things that were not so from the beginning. Any open door, permitting deviations, Lord Jesus, I declare this door shut. Let the words of my mouth, let my wisdom, my interactions, my life of prayer, my relationships, be guarded by the wisdom of God. I will not open doors of foolishness. I will not interact with sorcery. I will not succumb to witchcraft. I will not believe a lie. I will not be in pity parties. I will sit no longer in the counsel of sinners. I shut every door.
- My life is a no-go territory for the enemy.
- Establish Zion in my life. Establish the government of God in my life.

# COMMUNION PRAYERS

## Prophetic prayers Before Communion

Lord, we thank You for the opportunity to come to the communion table. We thank You because, on the night You were betrayed, You took some bread, broke it and some wine You poured out. And You said, "This is My blood poured out for you and My flesh shed for You in the New Covenant; and He said, gather to do this in remembrance of me as often as you can." We thank You Lord because from that encounter on the way to Emmaus we have an unveiling in our spirits concerning the manner of transactions that occur on the account of the breaking of bread.

Our eyes open, our hearts burn, conviction is restored and we have an exchange of our humanity for your divinity, Lord. We don't do it casually but we come to the communion table humbly with understanding expecting that this resource of Heaven would power our lives in the name of Jesus.

Thank you Lord.

## Prophetic blessings by DDK

"I press into the unique ordination I've received, the particular ordination I have received. Not only as an oracle of the Living God but a deliverer out of Zion for the Nations especially for God's daughters. And Lord, in the name of Jesus, I stand before You, You to whom I belong and will answer and I draw, I lay a demand on that delivering anointing that is so evident and relevant for this hour."

## Prophetic blessings by DDK

- In your life there will never be an event that causes men to ask, 'where is your God?' This God to whom you have come, He will save you.
- I declare the mercy of Yahweh over your life. You will not be put to shame. You will not be put to disrepute.
- What you have made your boast about in God will not become a source of smear campaign. No one will ever gather to ask your husband, 'why did you release her that much?', 'She was going about doing all those things, that is why this and that happened'.

Your life will never come into chaos, your calling will not be questioned, the purposes of God for your life will not be frustrated. I reject and denounce every harassment of the enemy causing you to run helter-skelter.

**The rest of  
the decade  
will be your  
healthiest  
years so far.**

- I destroy any plan and preparation from the pit of hell to cause you to step into a season where you are wondering if what God has said is true.
- Your life is covered in grace. Even for the places where I made mistakes, I declare the grace of God is telling a new story. Let the transforming power of the blood of Christ usher your life into a zone of victory.
- You will not die, you will live. You will not be assailed by any health crisis. The rest of the decade will be your healthiest years so far.

# COMMUNION PRAYERS<sup>3</sup>

## Prophetic blessings by DDK

- Every committee of cynics and critics, naysayers and gainsayers, whisperers, pretenders and liars that seek to stand against the agenda and the purpose of God for your life will be destroyed. The angels of God that have been assigned to the program of God for your life are mobilised: angels of logistics, angels of announcement, angels of warfare, angels of publicity, angels of provision, angels of connectivity, regional angels, geographical angels, economic angels, and political angels according to their ranks in the spirit.
- For the people that you have given undue access and authority to, because of a previous level of inaccurate perception of who you are, who have now taken advantage of that access and authority to harass, diminish, disqualify, oppress or frustrate your life, I declare that the Lord sets you in a new circle in the name of Jesus.
- You will sleep and wake up in peace. I banish anxiety going forward. I banish panic attacks going forward. Your dream realm will not be infiltrated with deception, your portals and pathways are pure; your channels are crystal clear; your sensitivity will never be diminished, your borders will not be compromised and your ranks will not be infiltrated.

# Prayers against the Serpentine Operations

"I'm going to highlight three arenas and declare that in your life you will no longer ever be assailed by these serpentine operations":

- First of all, I pray over you that whatever is in the dark that is an allegation, a gathering against you in the midst of the people with whom you dwell but do not know; every controversy that is being stirred against you amongst the people you are with, that ought to come to the light, let it come to the light. I declare a heightened degree of revelation knowledge. Whatever is hidden will come to the light.
- Those who are proclaiming loyalty and love to you but seek only to benefit from you, to whom you are entrusting your heart and your vision. I declare God will cause you to see them correctly in the name of Jesus.
- Those who love you and are building with you, who have become targets of the lies of the enemy, concerning whom he is releasing a sophisticated dimension of seduction to infiltrate their hearts with seeds of offence against you when you do not even know, I declare that the Spirit of the Lord is now brooding. Where offense has been sown, I declare that that seed is uprooted to its roots in the name of Jesus.

## Prayers against the Serpentine Operations

- In place of deception, there will be loyalty. In place of offense there will be love, in place of misunderstanding there will be revelation. That history of being misunderstood, being misinterpreted, being perceived that your own is just too much, I want you to watch out for a new era. It's an era of, "I've never seen a woman as powerful as your kind." It's the era of, "now I get how you judiciously use your gifts." It's the era of, "you're not too much and I love you just the way you are." It's the era of, "you are my kind, you make my baby leap." In the name of Jesus, let your kind find you, let your kind come to you. It's the era of, "I heard wrong things but the Lord preached your gospel to me." It's the era of, "I heard things but when I came closer you are a woman just like Christ".
- Now soar in Christian character. Mature in Christian character and observe your blind spots.
- Sweet Holy Spirit, show us to ourselves; change our lives from inside out, and where our strengths have been excesses and caused pain unconsciously, bring healing and reconciliation.

# Prayers against the Serpentine Operations

- Your voice will not be silenced. If they ever gather against you, I declare that there will be at least ten gathering for you.
- People are now minding your business, running helter-skelter to do you good, people are now coming together in committees to surprise you for good; people are now setting up covert gatherings, strategising how to partner with you, how to support you, how to blow your mind.
- People will sow into your life. It's the era of, "please let me know what God has put in your heart, I would love to fund it." Receive that in the name of Jesus.
- I pull out of your heart the arrow of death words that have been spoken against you and have stung you badly. I declare that you remember them no more. It's a new dispensation and the voice that is billowing over your life is, "This is my favourite daughter/son in whom I am so pleased, hear ye him/her" in the name of the Lord Jesus Christ".
- 2025 is best year yet. So shall it be. The era of harassment and bullying is over. These committees are dispersed who gather against God's daughters.

## **CLOSING PRAYERS** **AND DECLARATIONS**

- You are helped.
- The backbone of poverty is broken. The backbone of affliction is broken. The backbone of frustration is broken. The backbone of confusion is broken. The backbone of fear is broken. The backbone of complacency is broken. The backbone of perdition is broken. The backbone of perversion is broken. The backbone of addiction is broken. The backbone of offense is broken. The backbone of guilt is broken. The backbone of shame is broken. The backbone of grief is broken.
- The priesthood of death has been overcome by the priesthood of life. Thank you, Jesus. The backbone of death is broken. The priesthood of death is overtaken by the priesthood of life.
- You will live well and long. Your body is strong for destiny. Nothing broken; nothing missing. Nothing is dying around you.
- Your children are kept. No matter how far you travel, you will come home to meet them in peace. That backbone of fear is broken. No caregiver or teacher can harm your children. No one!

### Prophetic Prayers 46

# PROPHETIC PRAYERS

- I bless the Lord my God for the outpouring of heaven on earth. I give Him glory and bless Him. Lord, I thank You.
- I receive so generously from You.

*Every good and perfect gift comes from above, from the father of light, with whom there is no darkness, there is no variableness, there is no shadow of turning.*

**James 1:17 (NKJV)**

- I honour You for the abundance I have received. I bless You for the power of revelation knowledge and the transformative influence of the Spirit of the Living God.
- Lord, I open my heart for much more. I thank You for anointing, authority and abundance. I thank You for attunement, alignment and assignment.
- I thank You, Lord Jesus, for preparing me for what You have prepared for me.

*Who hath heard such a thing? who hath seen such things? Shall the earth be made to bring forth in one day? or shall a nation be born at once? for as soon as Zion travailed, she brought forth her children.*

**Isaiah 66:7 (KJV)**

- I thank You for covering grounds and territories for me. I thank You for inviting me into this co-labouring and co-creation of the Spirit.

---

# PROPHETIC PRAYERS

---

- I open my life to You, oh God, acknowledging every arena of deviation, devastation or desolation that has been carried from generation to generation. I present to You every arena of despair, distress and depression; every arena of deception, the lies that have infiltrated the church and have become the culture of the people of God, things I do without an understanding of where they came from, things I've come to believe or embrace, the paradigms, perspectives and perceptions that are not aligned to Your prophetic program for my life and my time. Lord Jesus, I thank You for the power of the Spirit of God overturning and overturning, moving me into the fullness of divine design.
- I welcome everything You're doing here. Sweet Holy Spirit, You are the intelligence of the Trinity. You are the revealer of the profundities of God. You are the one who gives me an understanding of those things that are normally unsearchable concerning the essence, nature and character of God. And today, I open my heart to You.
- I ask for an activation of my spirit, an enlightening of my heart, the dawning of revelation knowledge, and the power of the Spirit of God to break me loose from any form of addiction or affliction. I ask that You forge me further in the direction of destiny. I ask for the power of the Spirit producing godly character, that more of Christ be forged in us, and that my recreated human experience will be lined up behind the person of the Lord Jesus Christ.
- I want to see Your face and glory today.
- Lord, thank You for ordinations, for making me a son/daughter of oil, immersing my life in Your divine enablement and empowerment so that I can go further for You.

---

# PROPHETIC PRAYERS

---

- Take over, Spirit of the Living God, take over. Let the agenda of Father God be accomplished. Let the redemptive benefits of the finished works of Christ be manifest. Give me ears to hear, eyes to see, and a heart of understanding.
- Lord, let every declaration that will be made on this mountain carry weight and deliver the intention of heaven. Lord, in the name of Jesus, let the words that will proceed from this altar and the words that will proceed from every saint standing as oracles, declaring the intention of heaven, begin to craft and create realities in the environment.
- In the name of Jesus, let the power of words in this kingdom of words be evident. Let me frame superior realities by the mystery of scriptures. Let the word of God go viral in my soul. Do a mighty thing in me.

*Through faith we understand that the worlds were framed by the word of God, so that things which are seen were not made of things which do appear.*

**Hebrews 11:3 (KJV)**

- Thank You, Lord Jesus, for that building mantle that is resting on this house, on me, on this dispensation, and on the Body in this hour. Lord, You will convert the ruin to revival and restoration.
- Father, I thank You because You're going to line me behind what You are doing. I am a functionary of the kingdom agenda. I have a form, function, and a formation. I declare that You set me in order according to divine design, in the name of the Lord Jesus Christ.
- I pray that the Spirit of the Lord will make dynamic within my heart what God has established to be delivered and distributed in this convention.

# PROPHETIC PRAYERS

- Precious Holy Spirit, I cry out for an outpouring. I receive my portion. I lay hold and press in, in the name of Jesus. I lay hold on the builder's mantle, mandate, methodology, model, and mastery.
- Lord, take away the distractions. Set my life in order for You.
- I lay hold on 2025. It's my year to build, to impose heaven on earth, and to enforce the plan and the purposes of God for my life.
- The program of God for my life will be established in the name of Jesus. I will hear today and receive the answers I need. I will build according to the pattern, specifications, plans and pursuits of the Spirit.
- I need a different level of clarity. The Spirit of wisdom and revelation imprints my spirit man with answers for my generation, family, marriage, ministry, future, children, and assignments. Lord, help me today.
- I need clarity and strength. Lord, as I see Your architecture and Your invitation to rebuild the ruins and to deliver in my own time an alignment to Your perfect purposes, I receive divine enablement in the name of Jesus.
- I speak to every stubborn pattern that has been transferred from generation to generation and stubborn deceptions that have been believed by so many people, and I bring them under the architecture of heaven, the design of heaven and the purposes of God.

---

## PROPHETIC PRAYERS

---

- I pray for my heart, the production centre of my life. I ask for a heart ready to receive, a heart of understanding. Open my heart and give me understanding so I can live. Father, help me and expose what is in me that does not belong to You in the name of Jesus. I pull out the arrows by which I have been pierced and I ask for mercy.
- Thank You, Jesus. Lord, I give You praise. I bless You for what You have done. I press in and I receive what You have reserved. I believe for mighty and glorious things, perfect occurrences, prophetic processions, apostolic architecture, governing gifts, and supernatural supplies in the name of Jesus.
- Lord, thank You for sending a word to me. Thank You for causing revelation to light upon my life, thank You because a seed will serve You and it will be accounted unto God for a generation. Lord, I give You glory. I see You and I see Your move and I make room for Your move in Jesus Christ's name.

...**DECLARE!**

# PROPHETIC PRAYERS

- Lord, You will win this war. I will sow unto the spirit and reap eternal life. Father, I will not pay lip service to the demands of destiny.
- Find Yourself a son/daughter, oh God, who is yielded to Your will, desire and thoughts. Let this be the mountain of the Lord, of consecration, and submission.

*Wherefore seeing we also are compassed about with so great a cloud of witnesses, let us lay aside every weight, and the sin which doth so easily beset us, and let us run with patience the race that is set before us, 2 Looking unto Jesus the author and finisher of our faith; who for the joy that was set before him endured the cross, despising the shame, and is set down at the right hand of the throne of God. 3 For consider him that endured such contradiction of sinners against himself, lest ye be wearied and faint in your minds.*

**Hebrews 12:1-2 (KJV)**

- There is nothing You can't have of me, Oh God.
- I receive customised grace. Lord, You know where I am and what I need. A generation is emerging, oh God, who will be joined unto You and Your will.
- Father, I repeat after You in the spirit as You proclaim the rise of true sons who are patterned after the Pattern-Son who is Christ. Lord, I want nothing but You and that revelation You showed us, that prophetic image of what You are doing at KLC, tuning and turning spirits into original design after the Pattern-Son, just setting us in order, in tune, in time, in step and in nature with You.

- I am a partaker of divine nature. I commit myself to this necessary daily death. Let holy desire awaken in my heart for Your will, a holy hunger and thirst for righteousness.
- Do this heart work, Oh God. Go into the trenches, depths, and hidden places. Lord Jesus, if there's anything that doesn't belong to You in me, I thank You for this work of weeding out. Indeed, You, Father are the gardener and the vine dresser. I acknowledge that the flesh profits nothing and that without You I can do nothing.
- I am a vessel unto honour, Oh God.
- The grounds to be covered are great. Lord, I see the wreckage and wastage in the nations, and as You are inviting me to build with You, I align all things unto Christ - His government, nature and desire. I become Your very own edifice.
- You are the master architect of my life and the master builder of my destiny. You are at work in me, both to will and to do of Your good pleasure. Do with me as You will.
- Sanctify my mornings, noon times, evenings, nights, days, tastes, appetites, desires and language.
- Teach me how to build and what to build with, in the name of Jesus. Nothing will be too big for me to give up, or too great to surrender. I surrender all.
- I pray for architecture. Show me the design and the unique architecture for my personal life in the name of Jesus. Show me what You are calling me into; how to organize my time, talents, giftings, relationships and resources in the name of Jesus.
- Let my life bring You glory. I receive the required discipline, devotion, and diligence, so that I may be built up for You, by You, and according to You, Oh God.

---

# PROPHETIC PRAYERS

---

## Deviations

Deviations lead to devastations and devastations ultimately produce desolation. Those tangential shifts from original design create what is referred to in architecture as a lack of structural integrity. If you don't build according to pattern, what you build cannot stand the test of fire.

- I cry for mercy concerning the devastations that have existed before me and are being perpetuated. I present every area where the enemy has persisting access, the stubborn arenas of carnality, the spaces of infiltration of sin and self, the lies I have believed, complacency, indifference, lack of discipline, and inability to stay through. I pray for myself and those who have gone before me, as well as those coming after me.
- I bare my life before the Father today and declare that in the name of Jesus Christ, there is a restoration to the order of God. I see the Lord judging the chaos, disorder, disharmony, misalignment, and shakings in my life. Visit my foundation, build for Yourself an enduring edifice of my life, my marriage, and my lineage. I stand to be counted, Oh God. Lord, have mercy on me. Align my life and set me in order for You. Thank you, sweet Holy Spirit.

## PROPHETIC IMAGES

I see an architectural plan, and I see the Holy Spirit erasing things and redrawing them. He is setting things in place.

# PROPHETIC PRAYERS

- I release my faith, that the Spirit of the Lord is bringing everything in my life in obedience to Christ.
- By the leadership of the Spirit, I present specific areas of my life where I perceive misalignment:

- 1.Areas where there is no definitive word from the Lord concerning how to navigate, as well as areas where there is no clarity as to what the Lord has said, with no scriptural regulation, preceding word or clear instruction. It is the architectural design that gives the standards for building.
- 2.Areas of persistent disobedience, where there is a word but there are struggles with it, where my flesh is offended, or I am trying but it's difficult.
- 3.Areas where I am looking on to an earthly pattern that seems successful but is misaligned with the private dealings of God. Areas where there is confusion as to how things should be done regardless of how it seems to be the norm even when patterned by mentors and there is no comfort, confidence or conviction to follow that pattern.
- 4.Areas where spiritual gains are being minimized in favour of material gains; where I am looking for proof of platforms, prosperity, and popularity, and my heart is starting to turn toward money, even though I know that the vision can only be built by how God defines success.
- 5.Areas of persistent carnality where the finger of God is touching a part of your character that is not according to the learning of Christ.

## PROPHETIC PRAYERS

- God is building my life and I partner with Him in intercession. He's building my life in obedience to and alignment with Christ. He is pulling down the walls of offence, bitterness, resentment, complacency, and confusion.
- I will know what to do and do what I ought to do. I know my responsibility to search out the heart of God. I am not confused.

*I will stand upon my watch, and set me upon the tower, and will watch to see what he will say unto me, and what I shall answer when I am reproved.*

**Habakkuk 2:1 (KJV)**

- The business of my life is to seek His ways till I know it. I will seek His heart till I know His ways.

- The Lord is giving those who are 50 years and above, according to the time of life, **a new opportunity to rebuild on a stronger foundation.** He's recovering time for the senior citizens, and even those who built on faulty foundations, who love the Lord with their hearts and have been faithful, but didn't really understand the architecture and the design.
- He said to me as well about those who carried a ministry assignment but executed it primarily through an evangelistic vehicle, based on the patterning of what was prevalent at that time. But there have been other streams that the Lord has invited His sons and daughters to and not all have entered into. And He said, "In this season, there will be new opportunities for ministry".
- He also spoke to me about those who felt they've invested many years in raising their children, and now look back and wonder if they have done everything God put in their hearts or if they have walked in obedience to the specific ordinations on their lives. And the Lord said that on the account of childbearing, which is not merely biological, but an office of a mother who is raising a generation, He will give you the favour of the office of a mother. It is the office that Deborah stood in and said "I Deborah arose, as a mother in Israel".

The inhabitants of the villages ceased, they ceased in Israel, until that I Deborah arose, that I arose a mother in Israel.

**Judges 5:7**

# **PROPHETIC WORD**

## **(For those aged 50 years and above)**

This means that God is adding influence to the rest of your years, such that you will have the resources, support, and human capital to gain more grounds in the course of the next five years that will close out the mistakes of the last two decades in the name of the Lord Jesus Christ.

- He spoke to me about resources, that people will be kind to you. From now into your older years, you will be so prosperous with favour that it will not be by labour but by grace, in the name of Jesus.

This is how I would describe it: the honour that accrues by age is actually a similitude of the dealings of God in the realm of the spirit. The design of God is actually that as you progress in natural years, you progress in your walk with Him so that you attain stature. So the Lord, by His favour, will start to bring you into a new dispensation, where your years of natural growth will open certain kinds of doors for you, and God will cause resources and help to move in your direction. People will allocate a different level of honour to you, and certain doors will start to open for you. The preference of God is on You. Glory!

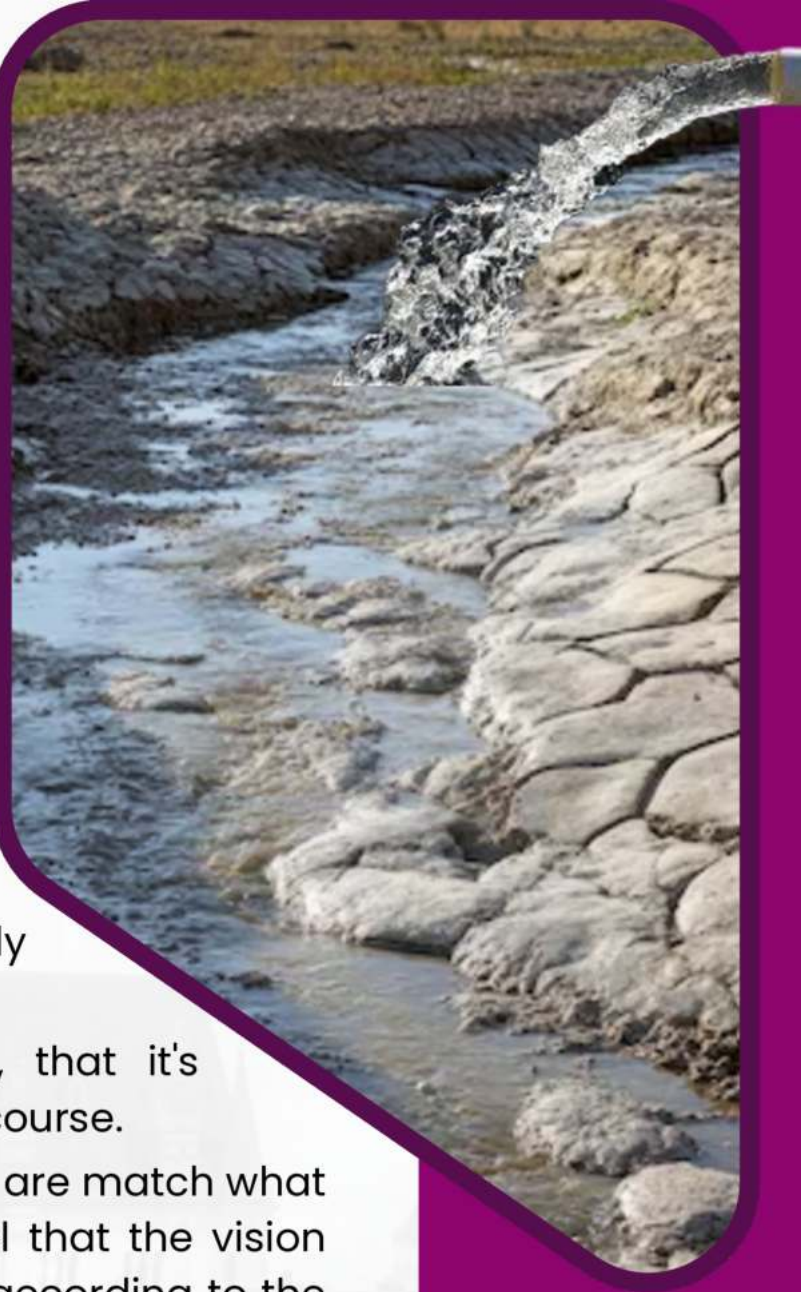

# PROPHETIC IMAGE

Those who have experienced tremendous degrees of the builder's weariness, who have worked hard at what God has shown, followed the path of obedience, and sought to do His will through ministry, career, business, family life and motherhood, but feel like you have not been rewarded, that it's gotten more difficult to stay the course. And it doesn't feel like where you are match what you've put in, and you don't feel that the vision you received is coming to pass according to the promise He gave you.

- I declare that the fountains of life nourish me where the droughts have taken away my passion and my strength. Let the fountains of life bring nourishment.

I can see an image of waters flowing in the place of drought, flowing into dry ground. God is meeting you at the point of your need. That builder's weariness will give way to new vigour and vision.

- I receive a new vigour and vision. I will stand the test of time, carry well and go forward.

## Prophetic Images

Those who feel like their formation is leaner than the requirement of your assignment. You feel that those who have come to join forces with you have been leaner than the assignment and you are in search of quality people. You're looking around and asking, "Where are my sons, daughters, associates, intercessors, and crusaders?"

- I declare that day by day, men and women ordained and anointed of God come to join forces with me till my army becomes as the army of God. In the name of Jesus, my men will not be few. You multiply me, we are not few. In the Name of Jesus, you glorify me and we are not small.
- I pray for spiritual eyes to see the mighty ones He's sending, even when they are in their broken estates. Make me a builder of people. I receive new strength, passion for people and commitment to build men in the name of Jesus.
- I repent of any form of disloyalty, or where I have not stewarded the gift and assignment of another. In the name of Jesus, I repent of any space where I have not effectively stewarded the vision of another. I receive a new opportunity to serve and to stand in the name of Jesus.
- My men will be mighty, like the army of God. Those who I am sent to will see me. My kind will respond to my sound, and I have a unique architecture that will become clear in my spirit over the course of the next 90 days regarding the system to put in place that will attract and build the manner of people God is raising for me in the name of Jesus Christ

FINISH

STRONG

## PROPHETIC IMAGES

The Lord spoke to me about a completion anointing, a finisher's grace: for those who often feel like they don't reach the finish line of divine projects, encounters and initiatives, who look around their lives, and see history scattered all around their lives, their walk with God, and their vision of not completing. If there are projects, initiatives, instructions, or assignments that have not come to completion, even when there are multiple things started. Also, those who find they have multiple streams and multiple expressions, but don't see how they connect and now want to come into this place of consolidation where you're flowing out from a central vision, conviction, and understanding, where standing in an assignment means flowing from an ultimate mandate from God.

- Show me a vision of the end, oh God, and who I will become in You. Show me who I must become, and who I will become in You.
- I make the most of what God is giving. The journey ahead requires a labour in the Spirit with precision. Lord, I receive a revelation and an image of who I will become in You.
- I pray for the finisher's grace. I have laid my hand on the plough, I will not turn back. Show me the resources that have been mobilised in my direction. In the name of Jesus, I will see what I have, and I will put it to judicious use. I'm dexterous in the utility of heavenly resources in the name of Jesus.

# PROPHETIC IMAGE

You are building, but the Lord has raised a controversy with you. You got to know it today and perceived it in your heart. Your heart burned and you got corrected. You've been building, but it's become clear that it's not according to pattern, your motivations have shifted, you've had your eyes in comparison to the seeming success of others, and you've looked upon what you've been given to do, and it doesn't look exciting. This is not about projects, ministries, or businesses only, but about the mandates God gave you for your marriage, how you ought to be with your spouse, the mandates he gave you for parenting as a father, and a mother, the academic instruction you received to come into the required rigour to master the language of the industry you've been sent to.

- I pray for the purging and the purifying power of the Spirit in the name of Jesus. Spirit of the living God, I welcome you for a prophetic audit of all parts of my life and the work you've committed to my hands. I want to build according to pattern and specification, in the name of Jesus. Lord, align my heart to what matters to You.

## PROPHETIC IMAGES

You are not clear; you often sense that there's something here. You sometimes perceive a certain call of God, distinctly on your life. You have seasons when your heart burns. There are people that God has raised over you. When you listen to them, you feel ready to do more, but the path is not clear, and you find yourself saying, 'Lord, if I knew what to do, I will go further for you'.

## PROPHETIC IMAGES

I saw beams of light like halogen lamps, and they were beaming into the room. I kept seeing that image, and the Lord began to say, "The cloud of confusion will be rolled away". The revelation of purpose is not for a select few; not even for preachers. It's for saints and sons.

- I cry out to God, even with my current level of clarity, and I declare that the flood light of revelation banishes every form of confusion in my life. Lord, bring me into prophetic precision. Help me to see what you are calling me to, help me to understand the highlight of the Spirit in this season of my life. Call the names of your businesses, brands, ministry, children, spouse, and bring them into this prayer.
- Lord, in the name of Jesus, show me the templates, blueprints, patterns, specifications, and architecture with which I must build. I receive your heart regarding your program for my life in the name of Jesus.
- I receive 2025 as my year of enlightenment in the name of Jesus.
- I pray for my portals, the pathways and the access points of revelation knowledge. I pray for a heart that becomes a receptacle of revelation knowledge. I'm a receptacle and a

and a repository of revelation knowledge. Light is my habitual realm of living in the name of Jesus. I receive the language that my spirit man understands regarding the dealings of God in this season. Show me your prophetic priorities, heavenly highlights, divine dealings, divine development, and divine discipline, in the name of Jesus.

- I receive from the Lord what I need for my fashion business, and my tech business. I receive from the Lord the solutions, secrets and strategies for my brand. I receive from the Lord the scripts for my filmmaking, the curriculum for my courses, the outline for my discipleship academy, template for my marriage. I receive from the Lord how to be a believer in the city where I live. I receive guidelines on how to use social media in 2025.
- I receive my financial blueprint in my spirit. The required meditation to download the blueprints of the Spirit, Lord, give me the dedication for it. The days ahead will require time in quietness and meditation and I receive the dedication for it.
- I hear the voice of Father God over the noise of society.

# **PROPHETIC INSTRUCTIONS** **AND PRAYERS FOR MINISTRY** **GIFTS**

**...in 90 days, there will be encounters  
of ordination and a memorial...**

- For those called to ministry, stewarding a work of ministry, you don't just need precision, you need speed. You will do this work well.

Cover grounds in the Spirit around these five areas:

1. Ask the Lord to set up an event of ordination and memorial for you. What you are asking for is a specific encounter, in the course of the next 90 days. Whether by divine visitation, the Lord will speak to you afresh; whether with you alone or through a voice raised over you concerning the manner of mandate on your life, you need a fresh word.
- Orchestrate an encounter of ordination and a memorial for me. Show me a token of covenant. Remind me who I am in You. Clarify the vision for me. Show me my templates. I will not build according to the flesh. Lord, orchestrate for me.

He said that in 90 days, there will be encounters of ordination and a memorial, a token of His covenant with you. Something you will hold, and you'll be able to say, 'The Lord met with me, He confirmed his word to me'. We need it urgently, no dilly-dallying. You will not be distracted or confused. There will be no need to ask, 'Is God with me; did He send me'?

# **PROPHETIC INSTRUCTIONS** **AND PRAYERS FOR MINISTRY** **GIFTS**

2. Pray for that “hear ye him/her, anointing”

- In the name of Jesus, concerning the sound, the message and the theme You have given me for my generation, those to whom I have been sent will hear me and hear me well. Awaken their ears. I call them, the teenage girls, teenage boys, entertainers, elderly mothers, widows, kingdom leaders, missionaries, men, women, parents, young revivalists, authors, entrepreneurs, and church leaders; those I have been sent to must hear me and hear me well. I receive it. It's already part of my toolkit. I labour in the spirit for it.
- Convert your approval on my life into acceptance by those I've been sent to.
- I receive the prominent theme of my ministry. (Pray this throughout 2025).

**...those to whom I have  
been sent will hear me  
and hear me well.  
Awaken their ears. I call  
them...**

# PROPHETIC IMAGE

- The Lord showed me a principal. And there was, first of all, a very rowdy audience. And gradually they started to gather. It was like an assembly ground. And they started to line up. And he was handing out big envelopes, but when the first set opened it, they were mildly disappointed. What did they see? A slip, just a small slip, and they had printed on it just a sentence, a line written in monospace font. And it's not merely for those in ministries, it's for everyone, but it's really critical for those in ministry.
- He said the next level of effectiveness for Kingdom leaders will be produced by the power of specificity. You have to now enter into the specific theme of your ministry. You are now in the season where you must be known for not what you design as your brand. You must be known from the highlight and the most prominent prophetic word that God has given you to share with your generation. Then you will actually get a PhD in it. For some of you, your core message is around the kingdom, some around consecration, some around parenting. Whatever it is, you will now mature and gain stature in that doctrine and in that theme, don't assume you know it.

# PROPHETIC INSTRUCTIONS AND PRAYERS FOR MINISTRY GIFTS

- Show me the prominent theme of my ministry. Cause me to understand the highlight in the heart of God for now. I will not just imagine. This is about those I am sent to and what I must tell them now. Show me the prominent theme of my life's mandate for the now. What must I prioritize? What must I declare? What must I insist on? Make it clear to me.
- You'll start to see it everywhere you turn, in books, and messages, and your teachers will begin to talk about it. When you open your scripture, you'll see it there, it will burn in your belly. You will have an unusual revelation concerning these things. It will cause you to have a burden and a passion you've never had. It will be so strong you can't resist it. You will walk in so much precision in the name of Jesus.
- Pray regarding those who will build with you and those you will build with. And under this, pray these three things:
- Reject the spirit of the mixed multitude, whether your team is just two people, or you have a leadership structure of 50 people or 500 people, those who are in your inner circle, you are building with and who are building with you, those who are volunteering for the work, who are certified counsellors, certified coaches, and teenage mentors.
- I reject and denounce the spirit of mixed multitude. Lord, audit my people. Audit my formation. Audit my structure and members of staff. Father, I receive my own people. I judge liars, whisperers, rumour mongers, pretenders, and falsehood in the name of Jesus.

# PROPHETIC INSTRUCTIONS AND PRAYERS FOR MINISTRY GIFTS

- Lord, unify the hearts of those you have raised to build with me. Bring into light what might be in darkness in the name of Jesus. I Build an army for mywork and myself. These include paid employees and domestic staff. Build an army for Yourself. Lord Jesus, I pray for integrity in my structure. My structure will have integrity. My system will have integrity. My team will be aligned.
- Pray for yourself as a co-laborer with someone else. Pray for your heart.
- Lord, in the name of Jesus, I will not sow the seed of disloyalty and I will not be entrapped or enticed out of the will of God regarding the leaders you have raised over me. I will not be enticed to entrap. I will not sow the seed of discord, of pretense or of disloyalty in the name of Jesus. Every leader you raised over me, every context and community that You've invited me into, help me to steward unto a reward.
- Receive skills, expertise and divine competence. Heavenly skills, heavenly expertise, heavenly competence. I receive it now.
- I declare skills, expertise, and divine competence over myself, over those I am sent to, those who build with me. I have competence, capacity, character. I am resourced, from that intern, that IT staff, that domestic staff, my COO, chief of staff, ministers, directors, the pastorate, the functionaries, the leaders, and the workers, in the name of Jesus.
- I have divine competence - I am energized by the Spirit, I cover grounds. I know what to do. Divine competence, the spirit of excellence, divine inspiration.

## **PROPHETIC IMAGE**

I saw an image of people who sat like the old Bible times students of the Torah, seated with their legs folded. I saw a multitude of people who sat that way. And I simply saw light in the center. But the thing about that vision was they were in the clouds, and they were seated, and the Lord started to speak to me, concerning a people who would live in the glory realm. The imagery He began to paint in my spirit is so attractive.

- I want to live in the glory realm. I want to make a practice of the presence of God. I want to experience Your heaven on my earth. I want to know what it means to be powered by grace. I want to live in the glory realm. I don't want to worship and pray when I have an event, I want to be sold out to the devotions of the spirit. Draw me into Your friendship. I make room for revival. I make room for Your move. I will live in the glory realm. I will gather around the light. I will walk with You before working for You in the name of Jesus. Based on my own unique seasons, I ask for wisdom to be able to customise an experience that helps me seek God. I hunger and thirst for it. You will make it happen for me.

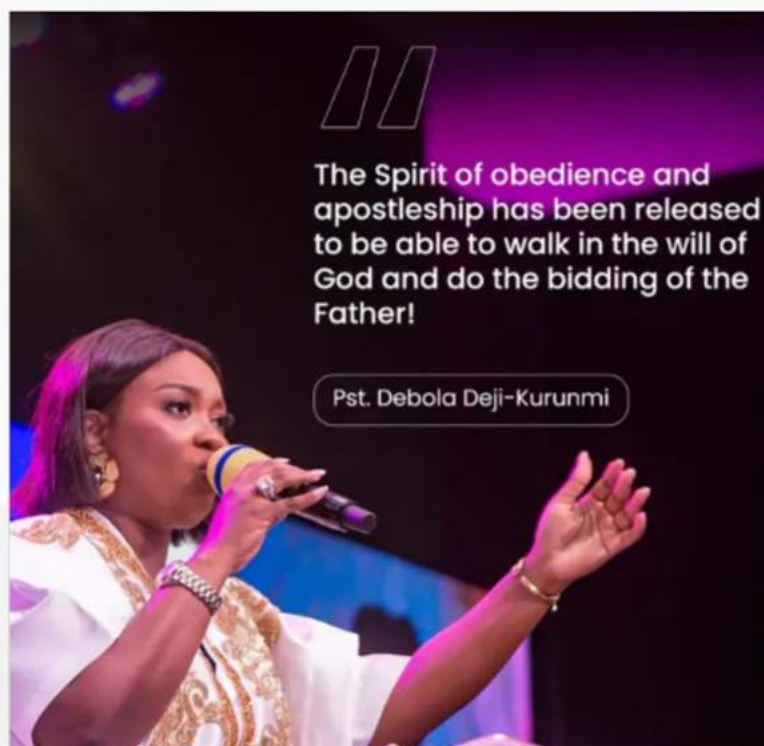

# **PROPHETIC DECLARATIONS** **AND BLESSINGS BY DDK**

**Access help, divine help,  
supernatural help, revelatory  
help, financial help, missional  
help, people help.**

- I declare grace over your lives. I've seen the hand of God in pursuing my life's assignment, I've seen the help of Yahweh in the presence of my inability. He's made my little obedience become much. He's empowered me for a life of consecration. He's kept me in His love. He's preserved my heart from offence. He's given me the explosive energy of the Spirit to do what seems difficult. When my flesh has been offended, He has aligned my life to His will.
- As God's Oracle and the set man over this commission, I'm standing in the office and the provisions allocated to that office, and I speak the heart of Father God over you, You have grace. You have great grace. You have abundant grace. The work of God in your hand will not be difficult for you. No matter how high the demands of destiny and ministry are, you have a super abundant supply of the Spirit.
- Access help, divine help, supernatural help, revelatory help, financial help, missional help, people help. Everywhere you turn, you are helped.
- Your body will not fail you. Your health will not fail you. Your body is anointed for your mandate. You will go far and you will stay strong. You will not die, but you will live. You will declare the goodness of God in the land of the living.

# PROPHETIC DECLARATIONS AND BLESSINGS BY DDK

- Through you, your life will make scripture make sense. You become a model of what is possible in the life of a yielded vessel. Consecration will become your habitual reality. It will not be too difficult to yield in obedience. Receive what is called the spirit of obedience and apostleship. I declare over you, you'll be able to obey God. You'll be able to obey His bidding.
- The teachers and the voices that cause your baby to leap, that create an environment and a culture around your life where it's easier to move toward the kingdom, let them be released over you. The kingdom community you require, where you are not repressed or oppressed, but you find a blossoming force of the giftings, the glory and the graces of God on your life, the communities that will call the seed of greatness on your inside to full maturity in no time, enter into these communities in the name of Jesus.

## **PROPHETIC IMAGE**

I can see mantles. Pick them. Don't do it religiously. Watch out for what the Lord is saying to you now. You are likely to discern grace. If you discern a grace, pick it. That's the power of the Holy Ghost.

- I see mantles of wealth, vividly.
- I see mantles of prayer. Thank you, Lord. That is, you will have power with God and you'll win through prayer
- I see mantles of apostolic breakthroughs - places people have not been, innovations, difficult terrains, but you are breaking through.
- I see mantles of governance. I just saw a cloud of witness in this auditorium.
- I see mantles of economic liberation. Receive that if you are sent there, receive it to break the backbone of poverty.
- I can see mantles of the supernatural. Not all of us are called there. What I mean in that case is, those sent to the supernatural ministry, miracles, I see healings, casting out of demons, raising the dead.
- I see mantles of healing, but not of the body. Mantles of healing the family unit, mantles of healing generations, mantles for healing nations, where there has been brokenness.
- I just saw publishing graces. Those of you who are not natural writers, but there's a message in your spirit. Receive it.
- I can see a rare healing anointing for reproductive diseases.
- The Lord just said to me that He has sent a small portion of his sons and daughters into the specific preaching of holiness, and some have been struggling. Receive grace.
- I rejoice. I bless Him. It's a new dawn. Mighty things are going on here. I give him glory. Glory to Jesus!

# PROPHETIC DECLARATIONS AND PRAYERS

- The war is won. The battle is ended. I declare that over your life. The war is ended.
- It's a new dawn. It's a new season.
- Nothing can harass you. No one can harass you. Nothing can frustrate you. Nothing can agitate you. Nothing can irritate you. Nothing can confound you. Nothing can confuse you. Nothing can distress you. Nothing can depress you. Nothing can disqualify you. Nothing can discourage you.
- A grace has been released over this convention and you will see how it will set you apart in 2025.
- There's nothing that happens in the economy, nothing that can happen in the world that will hit you and men will ask, 'where is your God?'
- No one is permitted to harass you. That priesthood of harassment and bullying, satanic bullying, is broken.
- Anyone recruited to frustrate you is frustrated, any experience organized or architected to bring you to shame or to produce a smear campaign has failed.
- You are not running helter skelter. You will enjoy your life. I'm telling you, you are at peace.
- Your borders will not be compromised. Your ranks will not be infiltrated. Your joy will not diminish.

- Those who are for you are greater than those who are against you. For every 1 voice of opposition, there are 100 voices of commendation.
- The committee of cynics and critics are impeached. The committee of naysayers and gainsayers are impeached. The committee of pretenders, rumor mongers and liars are impeached.
- Nothing will stress you.

the gospel. Your marriage will be a model. Your ministry will be effective. Your impact will expand. Your profit will multiply. Your vision will scale. The nations will open. You have grants and sponsorship. Your people abound. God glorifies you. You will not be small. He multiplies you. You will not be weak. You will not be few.

- It's a new dispensation. It's your era of, 'I know this is harvest, but I can't even remember the seed I sowed'. 'It smells like harvest, it looks like Harvest; this came from God, but I can't even remember the seed I sowed for this, I don't even know what I did to deserve this, but I know it came from God'.
- Perceive the goodness of God.
- We're not just building with him. He is building our lives.

# Prayer Before Communion

As we come to the communion table, remember what the Lord has done. We thank Him for the redemptive benefits of Calvary. We thank Him for His finished works, the night he was betrayed, He took bread and broke. He took wine and poured out. He said this is my flesh broken for you. This is my blood in the new covenant. He said, do this often in remembrance of me. And as our forerunners went on that journey to Emmaus, it was a journey of turning back because they didn't have the answers they desired. But they met with the Christ who revealed Himself from the prophet unto the Law. The Scripture said, when He broke bread, their eyes opened, they saw Him and they said one to another, did our hearts not burn within us? We are in the hour of burning hearts. We ask that You open our eyes to see and that we participate in this covenant exchange of our fear for Your faith, of our doubt for Your destiny, of our confusion for consolidations, of our limitations for leverage. We open our hearts to receive. We believe bigger than our confusion. We believe bigger than our fears. We believe bigger than our experiences. Now we are committing that we will elevate our experience to the level of our encounters in You.

- Lord, as we go to the communion table, we declare that this moment of Koinonia is blessed and that it will be a contribution of covenant and eternal life into our spirits and our lives, here and now.

# PROPHETIC DECLARATIONS AND PRAYERS

- Illumination, revelation, inspiration, innovations, inventions, in the name of Jesus.
- We will never outgrow our need to know the heart of God for the next level.
- We receive downloads.
- And when we come into that architecture of retreats, we receive fortitude in fasting and protracted periods of prayer, the anointing to pray through till we break into light.
- You are a Kingdom leader.
- You can get an architecture for your personal life, where to go, where to serve, where to sow, what to do in this season.

## PRAYERS DURING COMMUNION

Oh, blessed be God. Father, thank You again. As we partake in communion, there are things you showed us just in this communication of faith, and there are insights that you broke open in our heart. Father, we will take action. Let the stream of light begin already. In the name of the Lord Jesus.

### Prayers over the Givers

May the Lord bless you. Partners, may the Lord prosper you. You've been a great blessing to this house. You will go further and further. You bound your heart in loyalty to this vision and to the visioneer; the Lord will reward your honor.

You've received me as a father and a mother; you have a reward of the prophet in the name of Jesus.

Thank you Lord for the gift of giving.

I declare over the givers that as you're activating this eternal principle of seed sowing and harvest that is not only in money, but a generosity toward the Lord, I pray your harvest will be great. I declare that your seed sown is blessed and the Lord increases your harvest of righteousness. You prosper and you do well. You go further for the Lord, and you are set up for a 2025 of dominion in the name of Jesus Christ.

# PROPHETIC PROMISES

These promises are on the account of your ordination and deployment.

You are going to go into the next 3-5 years of your life, and you will not recognize the manner of spiritual accomplishment that will be borne out of your life. Who you are today in comparison to the next 3-5 years will be so remarkable that the story will be almost unbelievable.

Accelerated spiritual maturity.

- I declare that over you. In the name of the Lord Jesus, come into the heart of the Father. Understand the heart of the Father, discern the mind of the spirit and enter into encounters and dimensions of intimacy that don't even match your pursuit of God in the name of Jesus.

On the account of calvary and covenant, you will not be lost to death, or backsliding.

- I declare over you in the name of Jesus, under the covenant of whatever it takes for heaven to bring to pass the intention of Father God, I declare that you will not die in the name of Jesus Christ. I bow my knees before Yahweh and I declare over you, you will not die. You will live in the name of Jesus. What God has put in your hands, will not die.
- Your family is covered. You will not turn back from the faith, you will not turn back from

**I declare over you, you will not die. You will live in the name of Jesus. What God has put in your hands, will not die.**

# PROPHETIC PROMISES

Calvary, you will not turn back from Christ. Your spirit is forged into deep consecrations, and you will continue to make great progress in the direction of destiny.

- The Lord called you “Repairers of the Broken Bridges”.
- He told me that from ILDP 2.0 onward, we should name each generation based on the preceding mantle that is over that generation. He spoke to me about the “mantle of the repairer of the broken bridges”, the rebuilder of the desolate ruins.
- Receive that with your spirit. No matter how dark your lineage is, you are the breaking forth of dawn. No matter how dark your past is, you are the breaking forth of dawn.

The anointing of God is going to rest on some of you so strong. I saw what looks to be like genetic mutations when the Lord was speaking to me about it.

### Describing the anointing

1. This anointing will start to cause things that by heredity are happening in your cells, blood, organs and your genes to be aligned to God's original design. That is how powerful it is. The ruins that have been passed down into heredity, that they now say, 'there is cancer in that lineage, my mother too had fibroid'; I saw genetic mutations on the account of this anointing. This mantle is so strong that it can turn genotypes. It can cause diseases to dematerialize and be no more.
2. Through this anointing, you will find the Lord changing the taste and the sexual orientation of those who have come under the deception of satan. If you see homosexuality, lesbianism, the LGBTQIA+ madness operating in any arena and you just perceive it around you, lay a demand on this anointing. It will redirect the anomaly of this demonic seduction, and it will align the lives of people back to His glory.
3. You can use it on drug addiction as well. It changes the taste, appetite, and the desires of people. You can use it on people with sexual infidelity and a compulsion to pornography, and it will work.

Specifically, it is a corrective instrument for mental dysfunctions.

- Begin by applying it to yourself.
- The areas of fear, distress, anxiety, overwhelm, identity distortions, panic attacks, sleeplessness, nightmares, bring that situation and order your mind to become a canvas for the vision of heaven and take it everywhere you go in the name of Jesus.

This generation will be called the repairer of unbroken bridges, the rebuilder of desolate ruins, no matter how dark it is, you are the breaking forth of dawn in the name of Jesus.

4. I saw access to kings and palaces. At least five dimensions of kings and palaces

- Governments
- Spiritual fathers, patriarchs and matriarchs
- Industry leaders, policy formulators and captains of economies
- Forerunners of any kind; those who have gone ahead, further, in the same lineage and in the same direction
- Wealthy people in billions and millions of dollars
- You may not know what to do yet with it, but He spoke to me about an anointing, that is giving you access to kings and palaces. Receive that in the name of Jesus.

5. He showed me a vision of a house that was set on fire, but wasn't burning. The entire roofing was made of what seemed like steel and the steel continued to be heated up until it became orange.

And then I began to see what was a very dangerous vision. I began to see animals that I don't know, in human experience but I knew them in the spirit and I was calling them by name from small to great, from rodent to reptiles to mammals with all manner of forms. And vividly I could tell that some had been overtaken by demonic spirit and it had even disfigured their form. The Lord spoke to me vividly, He said, 'I will start with these disciples for this is the manner of work they are spreading across the body'. He said, 'my holy fire will ignite all parts of your life', 'even the areas that you did not necessarily open up to me, because you submitted to discipleship, I will come there, and the strangers will begin to scamper out of their hiding places'.

- They will scamper out of your health, out of your marriage, out of your lineage, scamper out of your spirit, scamper out of your heart, scamper out of your children, strangers will scamper out.
- Satan's goods will never be found in you. Not now only, I am talking about a covenant for the rest of your life. You will mature as a pure spirit before God. You go in holiness.
- Some of us were born out of dysfunction into dysfunction and you are still seeing some patterns. The Lord said He will take care of it from the root.

**Make me tender where I'm  
hardened. Soften me up  
where I am too soft. Lord  
align my life to the  
demands of destiny.**

## **PROPHETIC PRAYERS**

- Make me who you want me to be in the name of Jesus. Make me tender where I'm hardened. Soften me up where I am too soft. Lord align my life to the demands of destiny.
- The grace that I need for 2025, I receive it.
