CORPORATE FASTING GUIDANCE

We are grateful to God for the opportunity to participate in a **21-Day Corporate Fast at Kingdom Leaders Global Alliance**. Below is a Guide for how we will execute this spiritual consecration journey under the guidance and empowerment of God's Spirit.

The Purpose of this Fast:

We are now in the midst of Divine Disruptions, and God Himself is shifting and shaking systems. 2026 is NOT business as usual.

This 21-Day Fast is a spiritual journey into the strength, strategy and stature that we require to navigate a disrupted timeline in human history. If we follow this fasting process and plan with sincerity and discipline; it will not just prepare us as a people for 2026, but will shift how we think, pray, lead, and build. Amen!

THE POWER PORTALS OF 2026

The Power Portals of 2026

A Portal is a spiritual and strategic gate that opens unto realms, but requires protocols of alignment which govern how we move into new territories!

Basically, there are **Covenant Command Centers** of God in the Heavenly Realms, establishing and executing what God wants to do, but we require Portals that allow us to experience these God-doings and God-dealings on earth.

We will be stewarding – studying and stirring 10 Portals during our 21-Day Fast. Each portal helps you understand what God is doing in 2026, and invites you to answer destiny-defining questions:

- Who must I become?
- What must I understand?
- How must I be aligned?
- Where must I act?
- What must I build to last?

Each portal is allocated two days to allow formation to move through stages, and so our 21-Day Fast flows this way, shown in the next page.

2026 21-DAY FAST PLAN

FASTING PLAN - PORTAL TWO

PORTAL 2 2026: COVENANT CONTINUITY

DAY 3 (MON, AUG 3) – DAY 4 (TUE, AUG 4)

Experiencing Covenant Continuity and Leveraged Laying by moving the Mysteries of 2025 into Mastery of 2026.

2026 is a Year of Covenant Continuity where God is layering on the foundations He has been building in our lives over the course of the last 1 - 3 years, so that this year can deliver consolidations and completions!

2025 was very heavy because it was loaded with divine discipleship and destiny dealings that we have not spiritually summarised or prophetically processed.

This year invites us to move the mysteries of 2025 into the mastery of 2026, through inspired interpretations - where we start to extract expertise from our experiences.

Many saints move quickly from one year to another without prophetic processing, thereby carrying unresolved lessons, misaligned expectations, and unfinished cycles into the future. This must not happen to us anymore.

PORTAL 2 2026: COVENANT CONTINUITY

DAY 3 (MON, AUG 3) – DAY 4 (TUE, AUG 4)

2026 is laid and layered on 2025. This means:

- What was experienced must now be explored
- What was painful must now be processed
- What was delayed must now be defined
- What was prospered must now be properly profiled
- What was tested must now be taught

God is speaking and we must hear Him! Amen.

Required Posture:

- Practice the Strategy of Stillness and Quest of Quietness to awaken answers and track the trail of divine direction.
- Revisit 2025 with Spiritual Curiosity
- Piece the patterns instead of individual events
- Convert experience into expertise
- Carry forward the lessons that emerge into 2026

We must become a people who can understand the past, so we can co-create the future God wants!

DAILY PRAYER DIRECTION

I declare 2026 is my Year of Covenant Continuity, where my Heavenly Father trains me into spiritual sight and divine discernment.

In Jesus name, the Holy Spirit causes me to rightly interpret the seasons I have just come through in the last one to three years; and He teaches me to prophetically profile every experience, insights, delay, acceleration, pressure, and victory from His lens.

I will not merely remember what has shaped my seasons, but the leveraged lessons they hold for my becoming and all the Lord requires of me as a Son. I declare that as I lean into the awakened answers of Christ for my life; correction will come without condemnation, wisdom without weariness and strategy without struggling.

PORTAL 2 2026: COVENANT CONTINUITY

DAY 3 (MON, AUG 3) – DAY 4 (TUE, AUG 4)

DAILY PRAYER DIRECTION

In Christ, every experience becomes an expertise, as He refines my revelation into remarkable results. Lord, let every battle and burden birth breakthroughs. And let every prosperity promote your purpose in my life.

I declare that in 2026, my God will use everything I have endured for His enduring praise in my life, family, vision and future! Let the fires and waters that I have passed through become building blocks of divine destiny.

No part of my discipleship dealings will be wasted, buried or repeated in ignorance. I declare that I will not be uninstructed in 2026, for the Lord orders my perception into precision and matures the mystery of 2025 into the mastery of 2026.

I am aligned to Heaven's Perspectives and I move forward, upward and onward in spiritual sight, hindsight, insight and foresight in Jesus name! Amen!

2026: PATTERNED +

PROPHETIC PRAYING

DAY 7 (FRI, AUG 7) – DAY 8 (SAT, AUG 8)

2026 is a Year of Authoritative Legislation, and there is a divine demand on saints and sons to install and insist on Heaven's Order on the earth realm and reality. We are carrying a consequential calling that requires superior spiritual systems!

This year, prayer must become governmental for us, so that as our God reveals His purposes, we are resourced to respond through divine declarations made in truth, authority, and obedience.

In the midst of disruptions, silence can promote misalignment and disorder, so we can sense Father God giving us language that carries jurisdiction in accordance to His Will, Word and Way.

In 2026, we move from reactive prayers to revelatory prayers, as we shift our language from emotional to eternal. And then, we will walk in the ordained order of God for this season!

PORTAL 4

2026: PATTERNED + PROPHETIC PRAYING

DAY 7 (FRI, AUG 7) – DAY 8 (SAT, AUG 8)

- Leveraging Scripture as legal authority

Do not take anything on face value. Do not take NO for an answer. Do not remain on the defensive, go on the offensive. Gather evidence against Satan, insist on your birthright and negotiate the systems of men from the settings of the Supernatural.

2026 will deliver Heaven's Intent to those who stay in vigilance till virtue, value and valiance are attained.

Through prayer, I submit my thinking and timing to the will, ways and work of God. I reject my former assumptions and presumptions, but now fully yield myself as an instrument of divine governance in Jesus name!

This dimension will mean different things to each of us, depending on where we are on our journey. But every saint will encounter God as the Generational God, who will set things in order, so that His perfect purposes are protected by perfect patterns that He Himself will ordain!

The Spirit of God is dismantling man-made models that no longer serve God's Will in our lives. We have moved with momentum, but struggled with structure.
